6. Dog Walking –

- The Walking Dog undertakes individual household walks only. These will involve only dogs from the client’s own household with the exception of our own dog(s), but only with the full consent of the client.
- A maximum of four household dogs will be walked together at any one time. We reserve the right to walk household dogs separately if we deem them unsuitable to be walked together – this will then incur charges for each separate walk.
- Dogs will be walked on a lead at all times unless authorised by the client and in circumstances we judge to be safe.
- In line with The Clean Neighbourhoods and Environment Act 2005, The Walking Dog will pick up dog faeces and dispose of appropriately.
- All dogs will be required to wear an ID tag as it is compulsory for any dog in a public place to wear a collar with name, address including postcode of owner engraved or written on it whether the dog(s) is micro chipped or not (Control of Dogs Order 1992).
- The Walking Dog is not responsible for injury or damage caused or incurred by pet escaping because of faulty or ill-fitting lead / collar.
- Dogs will only be walked on Public Rights of Way, unless we have first obtained the landowners express permission to access their land.

7. Bad Weather –

- Generally we will walk in all weathers, however we reserve the right to cut walks short if weather conditions are extreme or present a danger to the dogs or ourselves e.g. snow blizzards or blinding rain. We will use the remainder of any time to ensure your dog is thoroughly dried off and undertake appropriate indoor activities.
- If we are unable to reach your property due to weather conditions e.g. deep snow or flooding, we reserve the right to cancel any bookings at short notice. We will however contact you to advise and to arrange rebooking or a refund where appropriate.

8. Emergencies – in the event of an emergency:

- The Walking Dog will make every effort to contact the owners or an agreed third party. In the eventuality this is not possible The Walking Dog reserves the right to make decisions in regard to your pet's health providing it is at all times acting in the best interests of the pet and on the advice of a veterinary surgeon.
- If the pet becomes ill, injured, or in need of veterinary attention, then The Walking Dog will make every effort to contact the pet's regular Vet, as specified in the Consultation. In the event they are not available then The Walking Dog reserves the right to contact an alternative Veterinary practise for consultation and treatment.
- The Walking Dog cannot be held responsible for the results of the veterinary treatment or loss of pet.
- The Owner is responsible for the immediate settlement of any fees incurred either directly with the veterinary practise or The Walking Dog.

9. Information about your pets – to ensure The Walking Dog has the relevant knowledge to be able to care for your pet owners must advise of the following points. Failure to do so could null and void any insurance cover and cause the dog(s) to be unsuitable for our services.

- The Walking Dog must be told of any traits or characteristics including:
 - i. Behavioural e.g. aggression, excess barking or whining, incontinence, lack of house or obedience training, etc
 - ii. Health problems – both current and pre-existing – including physical, medical, infection or disability
